Approvals Info

**Instructions:** Click on Hyperlink to get more information. Export this information by clicking on Excel icon; Print this information by clicking on Print Button.

- Current Approvals
- Approvals In Work
- Revoked Approvals

Total Number of Records: 32

Data Displayed At time 50

Page 1 of 1

Expiration date is calculated based on Honeywell Audit and Nadcap as applicable.

**If APSL Approval is expired, Supplier is not permitted to manufacture Honeywell product using the expired process after the expiration date nor ship product processed by an unapproved or expired special process source.**
